RENEW+

HAIR AND SKIN CARE

GET FIXED IN TIME TO SHINE

FRANCHISE TRAINING MANUAL

# Employee Orientation Guide

Roles · Responsibilities · Daily Rhythm · Reporting

VERSION 1.1 · BASIC EDITION

**For all new franchise branch employees**

RENEW GROUP OF COMPANIES

# Welcome to Renew+

Congratulations on joining the Renew+ Hair & Skin Care family, a brand of the Renew Group of Companies. Our promise to every patient is simple: **“Get fixed in time to shine.”** This guide explains what your role is, how a patient moves through our branch, and how we work together every day.

**Patient First**
Warm, respectful, safe care

**Quality**
Right treatment, right protocol

**Commitment**
Own your daily numbers

**Follow-up**
No patient left behind

# Reporting Structure

Every branch employee reports to the **Assistant Sales Manager (ASM)**. The ASM reports to **Head Office**.

### How to use this guide

- Read the common sections (pages 2–4, incl. working hours) — they apply to everyone.
- Read your own Role Guide page carefully and keep the daily checklist with you.
- Department heads will add role-specific questions in the space provided on each role page.
- Sign the acknowledgement on the last page and hand it to your ASM.

# Our Daily Rhythm

Three habits apply to **every** employee, in every role, every day.

### 1. Every Day Commitment

- Start the day by stating your number — calls, walk-ins, consultations, conversions or tasks.
- Share it in the morning huddle.
- Close the day against it.

### 2. Daily Follow-up

- Follow up every lead, every enquiry and every pending patient.
- Update records/CRM the same day.
- Nothing stays “pending” overnight without a next date.

### 3. Monthly Target

- Branch target is set by HO and shared via ASM.
- Split into weekly and daily goals.
- Progress reviewed weekly with the ASM.

# A Typical Branch Day

| Time | Activity | Who |
|---|---|---|
| 10:00 AM · Opening | Branch, reception and treatment rooms ready; stock check | Front Office, Nurse, Admin |
| 10:00–10:15 AM · Huddle | Today's appointments, commitments, yesterday's learnings | All · led by Manager |
| 10:15 AM – 6:30 PM | Lead calls, walk-ins, vitals, consultations, treatments, billing | All roles |
| 1:00 PM · Mid-day check | Leads, walk-ins and conversions vs commitment | Manager, Tele Caller |
| 6:30 PM · Before closing | Records updated, follow-ups scheduled, stock & billing closed | All roles |
| 7:00 PM · End of day | Daily report: commitment vs achievement → ASM | Manager → ASM |

# Working Hours & Weekly Off

### 10 AM – 7 PM

Office timing. May extend based on need and patient walk-ins.

### Sunday is Working

No Sunday off — the branch is open on Sundays.

### 1 Weekly Off

Taken on a working weekday, planned in advance with the ASM.

# The Patient Journey

Every role is one link in the chain. If one link is weak, the patient is lost.

| | | | |
|---|---|---|---|
| 1 |  | **Lead received & called**<br>Call within 15 min, understand concern, book consultation | **Tele Caller** |
| 2 |  | **Walk-in & warm welcome**<br>Greet with a smile, register, collect consultation charge | **Front Office** |
| 3 |  | **Vitals & eligibility check**<br>BP, pulse, weight; blood sample if required; record updated | **Nurse** |
| 4 |  | **Doctor consultation & counselling**<br>Diagnosis, treatment plan, sessions and cost explained | **Doctor** |
| 5 |  | **Treatment conversion**<br>Patient confirms plan; billing & scheduling of sessions | **Manager + Front Office** |
| 6 |  | **Products & treatment delivered**<br>Right products available; treatment done as per protocol | **Admin + Doctor + Nurse** |
| 7 |  | **Follow-up & next session**<br>Reminders, progress check, reviews and referrals | **Tele Caller + Manager** |

OWNS THE COMPLETE BRANCH

# Branch Manager

Takes full ownership of the branch — revenue, people, patient experience and operations. Drives sales conversion, monitors stock and keeps the appointment system running on time.

## Key Responsibilities

- Own branch P&L and monthly sales target
- Drive consultation-to-treatment conversion
- Monitor stock levels with Admin; approve purchase requests
- Track appointment system — bookings, no-shows, reschedules
- Run the morning huddle and evening review
- Coach the team and resolve patient escalations

## Daily Checklist

- [ ] Morning huddle: today's appointments & targets
- [ ] Check lead & walk-in numbers by 1 PM
- [ ] Review stock alerts with Admin
- [ ] Evening review: conversions vs commitment
- [ ] Send daily report to ASM

## How You Are Measured (KPIs)

- Monthly revenue vs target
- Walk-in → consultation %
- Consultation → treatment %
- Stock-out incidents (goal: 0)
- Appointment no-show %

## Do

- Lead by example on the floor
- Share numbers openly with the team

## Don't

- Let stock run out without escalation
- Skip the daily report

Branch Manager → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

OWNS TREATMENT QUALITY

# Doctors (Hair & Skin)

Delivers safe, high-quality hair and skin treatments and counsels every patient clearly so they understand their condition, trust the plan and commit to treatment.

## Key Responsibilities

- Diagnose and prescribe the right treatment plan
- Counsel patients on results, sessions and cost
- Ensure treatment follows clinical protocols
- Review nurse vitals & test reports before treatment
- Document diagnosis and plan in patient record
- Support conversion with honest, confident advice

## Daily Checklist

- [ ] Review the day's appointment list
- [ ] Check vitals/blood reports of scheduled patients
- [ ] Counsel every new consultation
- [ ] Update case notes after every session
- [ ] Share conversion outcomes with Manager

## How You Are Measured (KPIs)

- Consultation → treatment conversion %
- Patient satisfaction / reviews
- Treatment completion rate
- Before/after documentation done
- Re-treatment / complaint rate

## Do

- Explain in simple language
- Take before/after photos with consent

## Don't

- Promise guaranteed results
- Start treatment without eligibility check

Doctors (Hair & Skin) → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

SUPPORTS DOCTORS & RECORDS

# Nurse

Supports the doctors in every procedure, keeps patient records complete and accurate, collects blood samples and checks basic vitals to confirm the patient is eligible for treatment.

## Key Responsibilities

- Check vitals: BP, pulse, weight, temperature
- Collect blood samples and track lab reports
- Confirm treatment eligibility with the doctor
- Maintain complete patient records & consent forms
- Prepare treatment room and sterilise instruments
- Assist the doctor during procedures

## Daily Checklist

- [ ] Prepare and sterilise treatment rooms
- [ ] Vitals for every patient before consultation
- [ ] Send samples & follow up on reports
- [ ] Update records the same day
- [ ] Report consumables used to Admin

## How You Are Measured (KPIs)

- Records complete & up to date (100%)
- Vitals done before every consult
- Report turnaround time
- Hygiene audit score
- Zero safety incidents

## Do

- Follow hygiene & sample protocols strictly
- Keep patient data confidential

## Don't

- Leave records for later
- Skip consent signatures

Nurse → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

OWNS WALK-INS FROM LEADS

# Tele Caller

Fully responsible for converting leads into walk-ins and business. Every lead is an opportunity — call fast, follow up consistently and book the appointment.

## Key Responsibilities

- Call every new lead within 15 minutes
- Understand the concern and book a consultation
- Follow up on unconverted leads as per schedule
- Send appointment reminders a day before
- Update every call outcome in the CRM / lead sheet
- Re-engage old and lost leads

## Daily Checklist

- [ ] Clear all new leads first thing
- [ ] Follow-up calls for pending leads
- [ ] Reminder calls for tomorrow's appointments
- [ ] Update CRM after every call
- [ ] Share lead report with Manager

## How You Are Measured (KPIs)

- Calls made per day
- Lead → appointment %
- Appointment → walk-in %
- Lead response time
- Walk-ins generated vs target

## Do

- Smile while you speak — it is heard
- Log every call, every time

## Don't

- Let a lead go cold
- Give medical advice on the phone

Tele Caller → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

THE FIRST SMILE OF RENEW+

# Front Office Executive

The centre of attraction of the clinic. Welcomes every patient with a pleasing smile and warm greeting, makes them comfortable, and guides them to meet the doctor for counselling with consultation charges.

## Key Responsibilities

- Greet every patient warmly by name
- Register patient details and collect consultation fee
- Make patients comfortable while waiting
- Explain the consultation process and value
- Guide patients to the doctor for counselling
- Manage the appointment desk and billing

## Daily Checklist

- [ ] Reception & waiting area clean and ready
- [ ] Check the day's appointments
- [ ] Welcome, register and seat every walk-in
- [ ] Collect consultation charges & issue receipts
- [ ] Close the cash/billing report with Manager

## How You Are Measured (KPIs)

- Walk-in → paid consultation %
- Waiting time
- Patient feedback score
- Billing accuracy
- Registration completeness

## Do

- Greet within 10 seconds of entry
- Keep the patient informed while waiting

## Don't

- Leave the desk unattended
- Argue about charges — escalate politely

Front Office Executive → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

OWNS PRODUCTS & STOCK

# Admin

Owns product availability in the branch. Ensures every product and consumable is in stock, tracked correctly, and raises purchase requests to Head Office in time.

## Key Responsibilities

- Maintain stock register for products & consumables
- Set minimum stock levels and monitor daily
- Raise purchase requests to Head Office in time
- Receive, check and record incoming stock
- Track expiry dates and do FIFO
- Support branch admin: facility, vendors, records

## Daily Checklist

- [ ] Check stock vs minimum level
- [ ] Record products issued / sold
- [ ] Raise purchase request if below minimum
- [ ] Check near-expiry items
- [ ] Share stock status with Manager

## How You Are Measured (KPIs)

- Stock-out incidents (goal: 0)
- Stock register accuracy
- Purchase request lead time
- Expired / wasted stock
- Monthly stock audit score

## Do

- Raise requests before stock runs out
- Keep the register updated daily

## Don't

- Issue stock without entry
- Wait for zero stock to order

Admin → Assistant Sales Manager (ASM) → Head Office

**Additional questions from department head** *(to be added)*

# Orientation Acknowledgement

I confirm that I have attended the orientation, read this guide, and understood my role, my daily commitments and my reporting line to the Assistant Sales Manager.

### Orientation checklist
